Sharing Your Talents & Gifts

To join Neighborhood Church as a member is to become an active member of our religious community by sharing your gifts with others. Actively participating in the Church community is a spiritual act that deepens your relationship and connection to others. Everyone has unique gifts of experience, ability, and wisdom to share.

Please indicate how you might like to become involved in our community. The information will be stored in our database and allow us to help you connect to our programs.
