Neighborhood Unitarian Universalist Church Pledge Card

As a member of this congregation, I/we understand that supporting the church financially with an annual pledge is one of the responsibilities of membership.

Unitarian Universalist congregations are self-sustaining institutions whose primary source of financial support comes from church members and friends. This year it will cost \$1,800 per member to sustain the church. We understand that each member is at a different place financially. Financial leaders pledge at or above \$3,000 per year.

<p>I/We will pledge \$ _____ total to our church this fiscal year (June 1 — May 31)</p> <p><input type="checkbox"/> I/We are interested in learning about the church's automatic pledge payment program.</p>
